

Hexies Class Requirements

Date: Saturday, March 7, 2026

Time: 9-4

Instructor: Kris Curtis

Description: Hexies (Hexagon Paper Piecing) – A Techniques Class

Learn how to cut out fabric for hexagons, how to glue or baste them using a paper template and how to sew them together by hand and machine. Although we are not making a project with hexies, you will receive several project ideas for using your completed hexies.

Maximum # of Students: 15

Class Fee: \$10

Skill Level: all

Supply List:

- Paper Scissors
- Fabric Scissors
- Hand sewing needles if you have some on hand
- Spool of thread – white or beige or taupe or light grey
- Glue Stick such as Elmer's
- Straight pins
- Sewing machine in good working order
- Fabric and hexie templates will be provided
