

## *Newsletter #37, Week of March 17, 2008*

The Quilters II Newsletter is published weekly during the season, and monthly during the off season.

### **From the Coordinator(s)**

As the days get warmer and more beautiful, our numbers seem to dwindle. But, don't go "home" too soon – it's snowy and cold back there!

This is a reminder to CHECK OUT the library book(s) that you're taking home. Others might want a particular book, and would like to know where to find it. Also, please bring them back in good time. Look through your quilt books before leaving, to see if you need to return any now. Thanks.

The Show and Tell last week really did show and tell what our quilt group does. People are often amazed at what we do. We had large quilts, small quilts, wall hangings, baby quilts, and art quilts. Thank you, Jeanne Bridgman and Pat Wade for heading up this endeavor. And, thank you, Sharon Jewett, for the beautiful poster.

Did we have a great time at the Phoenix Quilt Show?? (This is being written on Wed.) I'm SURE that we did. Thanks so much to Joan Lichtenberg for organizing this.

NOW is the time to let anyone on the education committee know what classes you'd like to see offered next year. Sue Patch is chairman. Others on the committee are Barb Atwell, Bev Polito, Elaine Vanier, Jan Tuttle and Lynn Parker.

The steering committee will be meeting on Thursday, March 27th. NOW is also the time to tell any of the chairmen, or the coordinators about suggestions, ideas, or praise for what's been happening. This meeting is mostly for the new coordinators, and a re-hash of this past season. Chairmen, please remember to write something about what you've done this year, and bring it to the meeting with suggestions for next year.

Audrey and I started passing around THE organizational notebook. Each chairman is supposed to read her section and PASS IT ON to one of the names on the front, as soon as possible.

Quiltingly yours, Lynn
