

Newsletter #54, Week of December 22, 2008

The Quilters II Newsletter is published weekly during the season, and monthly during the off season.

The purpose of the newsletter is to provide information, in advance of the Monday meeting, to reduce the amount of announcements and discussion at the meeting. Submissions for publication in the newsletter can be made through the Newsletter Submission form located in the Members Only section of the website.

The deadline for submissions is 5 p.m. on the Thursday preceding the relevant week. The newsletter will then be placed on the website as soon as possible thereafter.

From the Coordinator(s)

From Fran –

Minutes from December 15, 2008 Q2 meeting

Joan Lichtenberg started the meeting while Fran lounged around in the back room.

Circle Project:

Lots of circles came back in. They are on the back wall.

Show 'n Tell"

We had many beautiful personal quilts shown, including a very special original design that looked like a "Book Shelf" by Pat Davis. It will be given to a man in her life. Very appropriate for our librarian.

Quattah Project.

Jeanette Hooper sold a lot of fat quarters and had a couple winners. Gloria Colgrove will be handling this project in January.

Treasurer's Report:

Adrienne Bortell (having just returned) will give us a better break-down on finances next meeting, however she said we have at least \$2,000.

Raffle:

Thanks to Sara Nichols and all her workers who got up early to sell at the Saturday coffees and Wednesday market daze's, we made money.

The winner of the Christmas quilt (quilted by Claire Fuqua) was Natalie Zook, the 3 small quilts were won by Lou Ann Garno, Maria Brower and Gerry McNeish.

Personal Notes:

Lou Ann Garno reports Thursday that Vel Peters husband Don is out of surgery after his triple by-pass and doing well.

Maureen Roberts also had her back fusion done and is ready to recuperate. No doubt both these quilters will appreciate your good wishes.

From the Editor

Questions have been raised regarding the displayed size of the financial reports.

The financial reports are displayed through the use of an Adobe PDF reader. The pages are created in other software, and converted to the PDF format. This results in certain limitations regarding the size in which the content of the pages can be printed. HOWEVER, the size of data displayed can be made larger or smaller using the “Zoom” feature of the reader.

Just click on the Magnifier symbol on the tool bar, then click on the page. Each time you click on the page, the data display will become larger. If you right click the mouse, a menu will open which will permit you to select any magnification of the original from 25% to 800%.

If a larger size print is required, it can be obtained from Adrienne.
